Subject: Chinese Journal of Chemical Physics - Decision on Manuscript ID CJCP1806142.R1

Body: 22-Aug-2018

Dear Dr. He:

It is a pleasure to accept your manuscript entitled "Energy-transfer Processes of the $6p[1/2]0$, $6p[3/2]2$, and $6p[5/2]2$ Atoms under the Condition of Ultrahigh Pumped Power" in its current form for publication in the Chinese Journal of Chemical Physics.

Thank you for your fine contribution. On behalf of the Editors of the Chinese Journal of Chemical Physics, we look forward to your continued contributions to the Journal.

Sincerely,
Executive Editor-in-Chief, Chinese Journal of Chemical Physics
Yi Luo
